EDUCATION OVERVIEW

When you become a sponsor of the Holter's Education programs, you help make art accessible to learners of all ages. Your support can take many forms – below are the three largest needs that your sponsorship will support:

Scholarships
Sponsorship makes it possible for people of all ages to access camps, classes, and programs at little or no cost, increasing access for ALL.

Supplies
A large cost for educational classes is purchasing the materials (art supplies, materials, cooking tools and ingredients) for each class.

Teaching Artists
The Holter employs 50+ teaching artists each year. Your support means continuing these programs and bringing in more teachers.
